## The Tubes

Choouoo

On the beach, in the sand  
Do the vision that a guy could understand  
In my car, in the house  
I feel her movin'™ and I want to check it out.

All my life, she's my girl  
In my dreams, she's my world  
Take this heart here tonight  
Take this love, make it right.  
And when she lifts the shades to paradise

Baby's eyes are makin' me ready (baby I'm ready)  
She's too hot for me to believe (too hot, too hot, whoo)  
When she walks, I've got to hang steady (hang, hang steady)  
Love that baby, Little Cheri

Talk about her, paint a picture  
Should I delude myself with this mystery?  
Love that girl, she loves her man  
I believe I'm at the point of no return

All day long, I can't wait  
Right or wrong, it's too late  
Does she want all of me?  
Does she see what I see?  
And when she lifts the shades to paradise

Baby's eyes are makin' me ready (baby I'm ready)  
She's too hot for me to believe (too hot, too hot, whoo)  
When she walks, I've got to hang steady (hang, hang steady)  
Love that baby, Little Cheri

Don't cha know I feel kinda shy (shy),  
If you knew her, I'd think you'd know why (why),  
Beside her, beside her I'm OK  
I do finally think anything that way

All my life, she's my girl  
In my dreams, she's my world.

Take this heart I give tonight,  
Take this love, make it right.  
And when she lifts the shades to paradise

Baby's eyes are makin' me ready (baby I'm ready)  
She's too hot for me to believe (too hot, too hot whoo)  
When she walks, I've got to hang steady (hang, hang steady)  
Love that baby, Little Cheri...whoo.

Baby's eyes are makin' me ready (baby I'm ready)  
She's too hot for me to believe (too hot, too hot whoo)  
When she walks, I've got to hang steady (hang, hang steady)  
Love that baby, Little Cheri...whoo.

Baby's eyes are makin' me ready (baby I'm ready)  
She's too hot for me to believe (too hot, too hot whoo)  
When she walks, I've got to hang steady (hang, hang steady)  
Love that baby, Little Cheri...whoo.
