

# I've Got the Itis

## Broadway

7 AM my alarm clock is making a racket again,  
And my head is talking me into not moving an inch,  
Responsibilities just donâ€™t mean the same,  
When I donâ€™t have the energy to move today,

Iâ€™m so lazy, Iâ€™m tired yeah,  
Iâ€™m so lazy, Iâ€™d rather be fired yeah,  
Iâ€™m so lazy lazy, I feel so dead,  
Iâ€™m so lazy, just canâ€™t seem to get out from my bed,  
(So turn the fucking alarm clock off)

No idea, how all my bills will get paid today  
Iâ€™d donâ€™t care, coz sleep is an believe no shame,  
All the ammunition I had, went out the window,  
Iâ€™d rather play Nintendo,  
64 days another gun,  
No call or show,  
Iâ€™m to busy beating Mario,

Responsibilities just donâ€™t mean the same,  
When I donâ€™t have the energy to move today,

Iâ€™m so lazy, Iâ€™m tired yeah,  
Iâ€™m so lazy, Iâ€™d rather be fired yeah,  
Iâ€™m so lazy lazy, I feel so dead,  
Iâ€™m so lazy, just canâ€™t seem to get out from my bed,

It get so hard to just open my eyes,  
And look at the world in all of itâ€™s splendour,  
When I would rather stay inside,

I know itâ€™s wrong, but it feels so good,  
To do nothing yeah,  
I know itâ€™s wrong, but it feels so good,  
To do nothing at all,

Responsibilities just donâ€™t mean the same,  
When I donâ€™t have the energy to move to day,

Iâ€™m so lazy, Iâ€™m tired,

Iâ€™m so lazy, Iâ€™d rather be fired yeah,  
Iâ€™m so lazy lazy, I feel so dead,,  
Iâ€™m so lazy, just canâ€™t seem to feet out from my bed,  
Iâ€™m so lazy, I feel so dead,  
Iâ€™m so lazy I just canâ€™t same to get out from my bed.
