

Settle Down

Zwan

Settle down, don't settle down without me, no, no
Settle down, I'll settle down for good, yeah
Settle down, I'll settle down around you, yeah, yeah
Settle down, I'll settle down for sure, yeah Whatever I can do, I will
'Cause I'm good like that
For seven years, seven days, and seven hours
I took my chances, yeah
Whatever I can do, I will
'Cause I want Never lose that feeling
Never lose that feeling Settle down, I'll settle down around you, yeah, yeah
Settle down, I'll settle down for good, yeah
Settle down, don't settle down without me, no, no
Settle down, I'll settle down for sure, yeah Never lose that feeling
Never, no, no
Never lose your feelings
Never, that's for sure Never lose that feeling
Never lose that feeling
Never lose that feeling
Never lose that feeling
Never lose that feeling
Never lose that feeling Whatever I can do, I will
'Cause I want to, and what I want I get
Seven years, seven days, and seven hours
I took my chances, yeah Settle down, don't settle down without me, no, no
Settle down, I'll settle down for good, yeah
Settle down, I'll settle down around you, yeah, yeah
Settle down, I'll settle down for sure, yeah Never lose that feeling
Never, no, no, no
