

# I Feel a Change Comin' On

**Bob Dylan**

Well I'm lookin' the world over  
Looking far off into the east  
And I see my baby comin'  
She's walking with the village beast  
I feel a change comin' on  
And the last part of the day's already gone We got so much in common  
We strive for the same old ends  
And I just can't wait  
Wait for us to become friends  
I feel a change comin' on  
And the fourth part of the day's already gone Well, life is for love  
And they say that love is blind  
If you wanna live easy  
Baby, pack your clothes with mine  
I feel a change comin' on  
And the fourth part of the day's already gone Well now what's the use in dreaming?  
You got better things to do  
Dreams never did work for me anyway  
Even when they did come true You are as porous as ever  
Baby you can start a fire  
I must be losing my mind  
You're the object of my desire  
I feel a change comin' on  
And the fourth part of the day's already gone I'm listening to Billy Joe Shaver  
And I'm reading James Joyce  
Some people they tell me  
I've got the blood of the land in my voice Everybody got all the money  
Everybody got all the beautiful clothes  
Everybody got all the flowers  
I don't have one single rose  
I feel a change comin' on  
And the fourth part of the day's already gone
