

All I Have In This World (feat. Mannie Fresh)

[Rick Ross](#)

Okay, I'm reloaded
The homey, Elvis Presley and Rick Ross teen
Be back, I'm back
I'm back, I'm back
It's nowhere to go I'm talkin' Japanese denim, money stuffed in 'em
The coolest of the cars and the baddest of the women
All I have in this world, all I have in this world
All I have in this world, all I have in this world Hey, I'ma work it on the corner, work it on the block
Work it till they love me, baby, work it till it's hot
All I have in this world, all I have in this world
All I have in this world, all I have in this world I left the pistol in the house and I let's my bitch drive
Twenty dis change I goes to this five
No it's not the solid treatment I let's the bitch vibe
Fire up the kush she hit it now this far Now imagine how she look with ked, ass and thick thighs
Put her on the payroll 'cuz flat out she get's down
See that ass from the side that's before she sits down
And her mouth get wet as a bottle of Crystal Niggas lookin' at me, pa, but I'm packin' a pistol
Fuck, kicked out, bitch, I'm tearin this shit down
Yeah, my Chevy sittin' high so it's hard to get down
Watch that dick standin' up, girl, it's hard to get down Got them chickens in the dress so I hardly sit down
Some problem Alphabet Boys, hit them charges to stick now
Bitch, you ain't gotta guess it's me and Mannie Fresh
You know we gettin' money by the way a nigga dress I'm talkin' Japanese denim, money stuffed in 'em
The coolest of the cars and the baddest of the women
All I have in this world, all I have in this world
All I have in this world, all I have in this world Hey, I'ma work it on the corner, work it on the block
Work it till they love me, baby, work it till it's hot
All I have in this world, all I have in this world
All I have in this world, all I have in this world Smokin' us a teefer name of the reefer
The cloud so thick, pussy nigga, I don't see ya
Your hoe so thick, pussy nigga, she don't see ya
Your hoe so thick, pussy nigga, she don't need ya My hoes so thick, pussy nigga, they ain't nothin'
I don't love that hoe, pussy nigga, there ain't nothin'
My money so long, his money ain't nothin'
My money in front of me, his money just frontin' You know the routine in movin' a few things
Rollin' on two Benz in them new blue jeans

Work it till they love me, baby, work it till it's hot

Rollin', I'm too biz in them new blue jeansJapanese denim, money stuffed in 'em
The coolest of the cars and the baddest of the women
All I have in this world, all I have in this world

Work it till they love me, baby, work it till it's hot
All I have in this world, all I have in this world
