People Make the World Go Round

The Stylistics

Trash men didn't get my trash today
Oh, why
Because they want more pay
Buses on strike want a raise in fare
So they can help pollute the airBut that's what makes the world go 'round
The up and down, the carousel
Changing people's heads around
Go underground, young man
People make the world go 'roundWall Street losing dough on every share
They're blaming it on longer hair
Big men smoking in their easy chairs
On a fat cigar without a careBut that's what makes the world go 'round
The up and down, the carousel
Changing people, heads around
Go underground, young man
People make the world go 'roundBut that's what makes the world go 'round
The up and down, the carousel
Changing people, heads around
Go underground, young man
People make the world go 'roundPeople make the world go 'round
People make the world go 'round
People make the world go 'roundPeople make the world go 'round
