If she be wanting to play, she on my team
Invisible man you be invisible B
Looking like neighbors is back neighbors is on the beat
Slicker than yâ€™all yeah, Iâ€™m slicker than yâ€™all uhh
She getting involved she wanting me getting involved oh
Up in the grits serve me a bowl of them grits

Cause these hoes really trife
Thinking as if it been wrong but it feels so right
Here let me hit rewind show me again that thing I like
My baby so animated and she got hella patience
Singing that temptations
I think I love her she the greatest

One week since I look at you
Peek at you from a secret view
All I do is dream of you
Animebae she make me think the wrong thing
You, you animebae she make me think the wrong thing
You, you animebae she make me think the wrong thing

Nah man you trippin fuck that, thatâ€™s my girl, thatâ€™s my bae
