I Thought (Final Sin)

Nitzer Ebb

lost you under my bedhid and over your headmoved away from our town
ask me what has been foundbut don't tell me nothingwon't tell you nothing
i know there's something out there
someone who i can take caredon't tell medon't tell mestars and moon are up latesun is sealing their fate
time to let out a sighsweet, sweet child will always ask whyso don't tell her nothingshe won't tell you
anythingshe knows that something's out theresomeone that she can take care
don't tell her
don't tell heri thought you knew, i thought
i thought you knew, i thoughti thought you knewi thought you knew
i thought you knew, i thoughti thought you knew, i thought
i thought you knewi thought you knew
