

# A Little Opera Goes A Long Way

## Sky Sailing

I'll save you  
An echo from my heart  
And I'll paint you  
A dream scape on your bedroom wallPretend you're not alone  
Like you are center stage on Broadway  
'Cause when you're on your own  
A little opera goes a long wayI'll meet you  
Where the page proclaims the end  
And I'll make do  
With the fractions my reactions bendPretend you're not alone  
Like you are center stage on Broadway  
'Cause when you're on your own  
A little opera goes a long wayI'll capsize this high rise  
And well the cable car  
And I'll drive down to some southwestern town  
And end up where you arePretend you're not alone  
Like you are center stage on Broadway  
'Cause when you're on your own  
A little opera goes a long wayI'll reset your silhouette  
And be your parasol  
So hold on to your fluorescent view  
And if you slip and fall, I will catch you
