

# I Just Don't Care

## Moody Blues

The indestructible has broken down  
The undeniable is turned around  
And I don't care my love  
I just don't care  
I love you The unbelievable has all come true  
I love the changes that you've put me through  
And I don't care you see  
I just don't care  
I love you I see the magic that we're making now  
And a veil is lifted from my eyes somehow  
And the most amazing thing that comes to light  
Is the world looks different to me overnight My friends will tell you that I've lost my cool  
The lovesick schoolboy turning up for school  
But I don't care you know  
I just don't care  
I love you I see the magic that we're making now  
And a veil is lifted from my eyes somehow  
And the most amazing thing that comes to light  
Is the world looks different to me overnight My friends will tell you that I've lost my cool  
The lovesick schoolboy turning up for school  
But I don't care you know  
I just don't care  
I love you 'Cos I don't care you see  
I just don't care  
I love you, I, love you
