That's Entertainment

Silkworm

The affair was good, but it wasn't worth the money
Don't you cry, I had a lot now
And you see what you could be, if you're only willing to work as hard as me
Yeah, that's entertainment, that's entertainment
Never in our lives have we been so entertainedAnd I know you're for me,
You're for me
You're for itAnd it's Christmastime, they're feeling fine
Everyone is drinking
And on the floor, you but all said "Whatever it takes to takes
To get a promise"
You won't make me hurtThat's entertainment, that's entertainment
Never in our lives have we been so entertained
And I know you're for me,
You're for me
You're for it
