

Baby, baby, baby

Joss Stone

[Chorus:]

Baby, baby, baby

Tell me, do you really love me?

Baby, baby, baby

Will you always be there for me?

I can't live without your lovin'

Baby, can't you see?

Baby, baby, baby

Tell me, do you love me now? I can't wait to see your face everyday

I can't explain the way I feel when I'm around you

There's a space in my heart that belongs to only you

And no one else in this world comes close to you

Do you understand what I'm saying?

Do you understand me?

Got a thing for you, and I'm not playing

It's something I need to know [Chorus] I can't imagine how my life would be without you

I don't know if I'd survive another day

No pressure, but I'd love to keep you safely

Promise me it's real

And that you would never fake it

Do you understand what I'm saying?

Do you understand me?

Got a thing for you, and I'm not playing

I'm not playing

I'm not playing [Chorus] Oh, oh

Love me, baby; love me, baby

Nothing else don't matter

Your love is all I'm after

Oh, I need to have ya

I don't need no other man

You're the one my heart demands

I'm your girl

You're my world

Please don't let me down

Don't let me down

Tell me, do you really love me?

Baby, baby, baby

Will you always be there for me? Baby, baby, baby

I can't live without your loving

Baby, can't you see?
Baby, baby Tell me, do you love me now?
Tell me, do you love me now?
Tell me, do you love me now? Gotta let me know that you love me so
Gotta let me know that you love me so
