

Not Fade Away

Trout Fishing in America

I'm gonna tell you how it's gonna be You're gonna give your love to me I'm gonna love you night and day Well
love is love and not fade away Well love is love and not fade away

My love bigger than a Cadillac I try to show it and you're drivin' me back Your love for me has got to be real For
you to know just how I feel Love is real and not fade away Well love is real and not fade away

I'm gonna tell you how it's gonna be You're gonna give your love to me Love to last more than one day Well
love is love and not fade away Well love is love and not fade away Well love is love and not fade away Love,
love is love and not fade away Not fade away Not fade away
