

# Nobody's Girl

## Bratz

I want your love but yes there are limits  
You gotta know my plans every minute  
Baby its like you wanna own me and it isn't right  
Just cause it feels so good when you hold me  
Know all at once you wanna control me  
Baby in case you don't remember, this is still my life  
Im not gonna do whatever you so  
no no  
If that's what you need then I'll be on my way

Im nobodys girl  
No boys gonna tell me what to do  
Im nobodys girl  
Dont treat me like I belong to you  
Im nobodys girl  
Ohh baby if I'm with you its cause I choose to be  
nobody owns me

Im goin places, I've got ambitions  
Thank you but I don't need your permission  
Baby before you give me your love  
Give me your respect  
Im not gonna walk a few steps behind  
no no  
If that's what you need then this is goodbye

Im nobodys girl  
No boys gonna tell me do  
Im nobodys girl  
Dont treat me like I belong to you  
Im nobodys girl  
Ohh baby if I'm with you its cause I choose to be  
nobody owns me, no!

Heres a new idea just treat me like I treat you  
If you don't know how then baby I don't need you  
Its a simple thing baby  
oh yeah

Dont try to tell me what to do

(nobody) this is my life baby  
(nobody) ohh yeah  
If im with you its cause i choose to be  
You dont own me!

Im nobodys girl  
No boys gonna tell me what to do  
Im nobodys girl  
Dont treat me like i belong to you  
Im nobodys girl  
Oh baby if im with you its cause I choose to be  
Nobody owns me

Im nobodys girl  
No boys gonna tell me what to do  
Im nobodys girl  
Dont treat me like i belong to you  
Im nobodys girl  
Oh baby if im with you its cause i choose to be  
Nobody owns me  
Ohh yeahhh
