

# Missing (2010 Remastered Version)

## Arcadia

And as I wander down to where you lay  
The blood rushed up to meet the roses  
In your hair  
I thought I saw you smile  
But now I don't see you anywhere  
Whispering your love song in my ear  
How can you touch me  
When you're not really there? Stumbling out I made my way towards the open door  
Climbing fast the sun broad streaming  
Laughter down into your empty gaze  
Where can I find out  
How I want to join in your games  
I hear you calling  
I hear you...calling calling calling calling  
Whispering your love song in my ear  
How can you touch me?  
How do you really dare?
