Money, Honey

State Of Shock

As I'm staring through this fire, it's too late to make you mine
So far from where we started, so far from what we wanted
And as both our worlds fall down, we have lost and we have found
So far from where we started, so far from what we wantedI've made mistakes that I can't erase, I've made mistakesIf I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?I've made mistakes that I can't erase, I've made mistakesOh I'm sure to see the signs that were falling back in time
So far from where we started, so far from what we wanted
And I'm trying to right this wrong, so I need you to be strong
So far from where we started, so far from what we wantedI've made mistakes that I can't erase, I've made mistakesIf I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?I've made mistakes that I can't erase, I've made mistakesYeah yeah yo, yeah yeah yo
I know you know, so let it go
Yeah yeah yo, yeah yeah yo
I know you knowI've made mistakes that I can't erase, I've made mistakesIf I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?I've made mistakes that I can't erase, I've made mistakesYeah yeah yo, yeah yeah yo
I know you know, so let it go
Yeah yeah yo, yeah yeah yo
I know you know
