

# Money, Honey

## State Of Shock

As I'm staring through this fire, it's too late to make you mine  
So far from where we started, so far from what we wanted  
And as both our worlds fall down, we have lost and we have found  
So far from where we started, so far from what we wanted I've made mistakes that I can't erase, I've made mistakes  
If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me?  
If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me? I've made mistakes that I can't erase, I've made mistakes Oh I'm sure to see the signs that were falling back in time  
So far from where we started, so far from what we wanted  
And I'm trying to right this wrong, so I need you to be strong  
So far from where we started, so far from what we wanted I've made mistakes that I can't erase, I've made mistakes  
If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me?  
If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me? I've made mistakes that I can't erase, I've made mistakes Yeah yeah  
yo, yeah yeah yo  
I know you know, so let it go  
Yeah yeah yo, yeah yeah yo  
I know you know I've made mistakes that I can't erase, I've made mistakes If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me?  
If I had more money honey would you love me, love me, love me?  
If I wasn't just somebody like me, like me? I've made mistakes that I can't erase, I've made mistakes Yeah yeah  
yo, yeah yeah yo  
I know you know, so let it go  
Yeah yeah yo, yeah yeah yo  
I know you know
