I'll Be There

La Bouche

You have been hurt and now you think love's a big cheat
But I know if you allow me, I'll prove you wrong
Don't be afraid of the love you have for me
Let me bear and let things happen
Be aware, we each have the chanceIf you're restless, I will follow you
If you're weak, I'll give you strength
If you can't go on, I'll see you through
I'll be there, I'll be there, I'll be thereTrust in me baby, I would never let you down
And I swear my loves a cure for your broken heart
(Let me cure your broken)
Heart, I want you so, I will read the wishes in your eyes
And I will chase the dark clouds away
If you give me one more chanceIf you're restless, I will follow you
If you're weak, I'll give you strength
If you can't go on, I'll see you through
I'll be there, I'll be there, I'll be thereIf the world seems to be down on you
If you're badly off for health
If you need someone to comfort you
I'll be there, I'll be there, I'll be thereLet me cure your broken heart
I'm gonna be, I'm gonna be, I'm gonna be there
Boy you know I'm gonna be there
Believe me when I say I'm gonna be thereIf the world seems to be down on you
If you're badly off for health
If you need someone to comfort you
I'll be there, I'll be there, I'll be thereIf the world seems to be down on you
If you're badly off for health
If you need someone to comfort you
I'll be there, I'll be there, I'll be thereIf the world seems to be down on you
If you're badly off for health
If you need someone to comfort you
I'll be there, I'll be there, I'll be there
