Highest Place

Luminate

Lord you search me
And you know me
You hear all of my thoughts
No point in hiding
Lord, you've found me
So completely in need of you
I cannot run from you

If I go to the heavens or down below
You are right there waiting
If I rise on the wings of the dawn
You are there, I will find you waiting

CHORUS:
You are in the highest place
You are in the falling rain
You are in the mountain peaks
And the valleys speak wonders of your name

You are in the perfect sky
You're in every breathe I breath
You're in every moment life seems to pass me by
You're my Prince of Peace

In the glory
Of your glory
I become like you are
It's overwhelming
In the prescence
Of your prescence
I finally see
Your love for me

If I go to the heavens or down below
You are right there waiting
If I rise on the wings of the dawn
You are there, I will find you waiting

You are in the highest place
You are in the falling rain

You are in the mountain peaks
And the valleys speak wonders of you name

You're everything
You're in everything
You're in every cry
It all ends and starts
With you my King
