

# Croozin'

## Mean Jeans

Croozin' for some brews 'n cocaine, cocaine  
Croozin' with Gordon Bombay, Bombay  
He ain't gonna stop until we get there  
Whoa oh oh oh oh The cops are comin' up now  
He don't even care  
Whoa oh oh oh oh Like a twisted up lunatic  
Still chuggin' just Croozin' through the city at night  
In a Bombay state of mind  
Croozin' through the city at night  
Croozin'  
Croozin' We ain't gonna stop until we get there  
Whoa oh oh oh oh The cops are comin' up now  
He don't even care  
Whoa oh oh oh oh Like a twisted up maniac  
Still chuggin' just  
Croozin' through the city at night  
Yer gonna get a DUI  
Croozin' through the city at night  
Croozin'  
Croozin'  
Croozin'
