

# Whistle

## The Motifs

Can you blow my whistle baby, whistle baby  
Let me know

Girl I'm gonna show you how to do it  
And we start real slow

You just put your lips together  
And you come real close

Can you blow my whistle baby, whistle baby  
Here we go

(Look) I'm betting you like people  
And I'm betting you love freak mode

And I'm betting you like girls that give love to girls  
And stroke your little ego

I bet you I'm guilty your honor  
That's just how we live in my genre

Who in the hell done paved the road wider?  
There's only one flo, and one rida

I'm a damn shame

Order more champagne, pull a damn hamstring  
Tryna put it on ya

Bet your lips spin back around corner  
Slow it down baby take a little longer

Can you blow my whistle baby, whistle baby  
Let me know

Girl I'm gonna show you how to do it  
And we start real slow

You just put your lips together  
And you come real close

Can you blow my whistle baby, whistle baby  
Here we go

Whistle baby, whistle baby,

Whistle baby, whistle baby

Whi-whistle baby, whistle baby

Whistle baby, whistle baby

Whi-whistle baby, whistle baby

It's like everywhere I go

My whistle ready to blow

Shorty don't leave a note

She can get any by the low

Told me she not approved

It's okay, it's under control  
Show me soprano, 'cause girl you can handle  
Baby we start snagging, you come up in part clothes  
Girl I'm losing wing, my Bugatti the same road  
Show me your perfect pitch, you got it my banjo  
Talented with your lips, like you blew out a candle  
So amusing, now you can make a whistle with the music  
Hope you ain't got no issue, you can do it  
Even if it no picture, never lose it  
Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go  
Whistle baby, whistle baby,  
Whi-whistle baby, whistle baby  
Whistle baby, whistle baby,  
Whi-whistle baby, whistle baby  
Go girl you can twerk it  
Let me see you whistle while you work it  
I'mma lay it back, don't stop it  
'Cause I love it how you drop it, drop it, drop it on me  
Now, Shawty let that whistle blow  
Yeah, baby let that whistle blow  
Can you blow my whistle baby, whistle baby  
Let me know  
Girl I'm gonna show you how to do it  
And we start real slow  
You just put your lips together  
And you come real close  
Can you blow my whistle baby, whistle baby  
Here we go  
Whistle baby, whistle baby,  
Whi-whistle baby, whistle baby,  
Whistle baby, whistle baby,  
Whistle baby, whistle baby
