

H-k (hunter-killer)

Fear Factory

The conscious man is dead
And I buried him
Beneath this scarred tissue
Armored skeleton
The machine is now alive
Desensitized with open eyes
Powered by an angry mind
And is refueled by those I despise
Those I despise
I am a criminal
I am a criminal
I am a criminal
I am a criminal
I am a criminal
I am a criminal
I am a criminal
I am a criminal
