

Blackbird

Doves

Blackbird singin' in the dead of night
Take these broken wings and learn to fly
All your life
You were only waitin' for this moment to ariseBlackbird singin' in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waitin' for this moment to ariseBlackbird fly, blackbird fly
Into the light of the dark black night
All your lifeBlackbird singin' in the dead of night
Take these broken wings and learn to fly
All your life
You were only waitin' for this moment to ariseBlackbird fly, blackbird fly
Into the light of the dark black night
All your lifeYou were only waitin' for this moment to
You were only waitin' for this moment to arise
You were only waitin' for this moment to arise
