# Sandrider

## Star One

[Leader:]
I have seen visions in a waking dream
I have seen places man has never seen
Am I the one to fulfil the prophecy
On the desert planet in our galaxy
[Nomads:]
Sandrider, stormfighter
Unlock the chains and set us free
Sandrider, uniter
Guide us the way and make us see
[Leader:]
I have seen navigators bridging space
I have seen the baron and his evil ways
Forging plans against the planet's nomad tribes
And in this dream I've seen my father die
[Nomad girl:]
Drink the water of life
The sleeper comes alive
Drink the water of life
Only you'll survive
[Leader:]
I have seen the creatures in the desert sand
I have seen them yielding under my command
One day the universe will be cleansed
One day my father's death will be avenged
[Leader: Dan]
[Nomads: Damian & Russell]
[Nomad girl: Floor]
