Hag

The Breeders

Hag! Coastal cut-throat!
You dirty switch,
You're on again

All night, all night, all night

Under the stars
Under their light
All over the girl
Only looks bright

You're just like a woman
Hag
You're just like a woman
You're on again

But sometimes
Under the stars
Under their light
You're everything right

You're on again!
Under the stars
Under their light
All right
All right
