

Lookin' Out The Window

[Stevie Ray Vaughan](#)

Well, I'm lookin' out the window, I'm lookin' at you
Yeah, I'm lookin' out the window, I'm lookin' at you Well, I'm dreamin' all the sweet dreams and the memories
of the past
Feel so fine honey, that's why our love should last
Feel so good baby, and it's all because of you
I've gotta love you, I need to love you, I want to love you so nice We're havin' all the time to ourselves
Yeah, we're havin' all the fun to ourselves Lord, I'm pickin' up the pieces off the shelf
Won't take long baby, 'cause there's hardly any left
Feel so good baby, but it's all because of you
I've gotta love you, I need to love you, I want to love you so nice I'm lookin' out the window, I'm lookin' at you
Yeah, I'm lookin' out the window, I'm lookin' at you Well, I'm dreamin' all the sweet dreams and the memories
of the past
Feel so fine honey, that's why our love should last
Feel so good darlin' and it's all because of you
I've gotta love you, I need to love you, I want to love you so nice I'm lookin' out the window, I'm lookin' at you
Yeah, I'm lookin' out the window, I'm lookin' at you
Yeah, I'm lookin' out the window, I'm lookin' at you
