

# Time Of The Moon (Aimoon Psy-Trance Remix)

t.A.T.u.

We're killing space and wasting time and dying hard and spilling beans  
We're moving fast on intuition in the world of stupid things  
We are the flyers no return and no regrets and no delay  
Into the frenzy this is crazy burning wheels to get awayTime of the moon  
In the sky cloud is breaking  
Voice of the doom  
For the birds in the makingThe time is wasted  
On intuition  
We are the flyers  
Into the frenzy  
We're spilling beans  
On stupid things  
With no delay  
We get awayTime of the moon  
In the sky cloud is breaking  
Voice of the doom  
For the birds in the making
