Rule the World

Griffin House

There's a garden of hope
In a town called Faith
And the state of Happiness
Is not far away
From the country of Wants
And the sea of Needs
I'll take you there with me
Someday when I rule the world
Gonna stand by you
Love you all I can
You're beautiful
The reason I believe
Don't give up on me
I'll make it wonderful
When I rule the world
When I look into your eyes
Ooh, it just amazes me
And the way I feel inside
When you're changing me
Through the sweat and the tears
Moving step by step
I'll do anything for you
Someday when I rule the world
Gonna stand by you
Love you all I can
You're beautiful
The reason I believe
Don't give up on me
I'll make it wonderful
When I rule the world
High, high above it all
In the sky you promised
I choose to stand
Stand by you, I'll stand by you
Someday when I rule the world
Gonna stand by you
Love you all I can
You're beautiful
The reason I believe

Don't give up on me
I'll make it wonderful
When I rule the world
The reason I believe
Oh, don't give up on me
I'll make it wonderful
When I rule the world
