Use You (K10K Remix)

Dave Gahan

It's killing me to be in this room
I've gotta get out, I've gotta get out soon
I'm hurting you with everything I do
It's too long, too long in this placeWe're counting down only seconds now
I've gotta hang on, hang on to you
I'm staring at my cuticles
Too long, too long in this placeWe have each other, you are my brother
Sitting here beside you I just wanna use you
We have each other, you are my brother
Sitting here beside you I just wanna use youI'm hurting you with everything I do
I've gotta get out, I've gotta get out soon
It's killing me to be in this room
I don't belong, belong in this placeWe have each other, you are my brother
Sitting here beside you I just wanna use you
We have each other, you are my brother
Sitting here beside you I just wanna useWe have each other, you are my brother
Sitting here beside you I just wanna use you
We have each other, you are my brother
Sitting here beside you I just wanna use youWe have each other, you are my brother
Sitting here beside you I just wanna use you
We have each other, you are my brother
Sitting here beside you I just wanna use youUse you, I just wanna use you
Use you, I just wanna use you
