

# Easy

## Mai Lan

I thought about all the girls  
Running playing moving flowers  
And I didn't know what I could say  
I was a kind of her, who didn't wanna save the world  
As she was about to  
She was feeling everyone, she was winning on her own  
But I, well I didn't

'Cause I was up to play with girlies  
And I was up to share my candies  
That's all I got  
Easy

I was just a sketch done with love but without the form  
Drawn by the greatest man of all, he was not sure about it  
She had all of an angel, dreamt by his unbelievable  
Great mind the master lost control  
And made a fool out of me

Thought about all the girls  
Playing around me bending like flowers  
Then I decided not to care

'Cause I was up to play with girlies  
And I was up to share my candies  
That's all I got  
Easy

'Cause I woke up one morning happy  
And no one could take away from me  
The joy and love / the giant love  
Easy

I woke up this morning  
Woke up felt damn fine two  
Wings had grown on me  
I thank you then you smiled  
What else could you say?  
What else he didn't say  
What else I couldn't say  
I found the reason

You made me happy

I wouldn't ever change myself  
For a brand new somebody else  
I could be a kind of a masterpiece  
If I just imagine it believe in it
