

Speak for Yourself

Thirsty Moon

Look around across the nation
Another league of morons marching banners in hand
Looking for another scapegoat
Try to take away the things they don't understand
Somewhere in the darkness
There's a voice that's crying to be heard
You feel it deep inside you
A voice that just won't be denied
Speak for yourself
Someone will hear you
Someone will listen
Speak for yourself
Who knows, you might change your world
They try to take away your freedom
They try to tell you what you can or what you can't hear
Don't let this moral suffocation
Make you turn out just like them is that what they fear?
Somewhere in the darkest night
A voice that's crying to be heard
You hear it deep inside you now
A voice that just won't be denied
Speak for yourself

Someone will hear you
Hear what you're saying
Speak for yourself
Who knows, you might change your world
They never listen to a word you say
They always turn their backs and walk away
Well, take a look at yourself now, baby take a look at yourself
Take a look at the things you should have done, it's up to you
Speak for yourself
Someone will hear you
Someone will listen
Speak for yourself
Someone will hear you
Out in the darkness
Speak for yourself
Someone will hear you

Someone will listen
Speak for yourself
Who knows, you might change your world
You might change your world
Speak for yourself
