

# Ave Maria (after J.S. Bach)

## Mario Lanza

A ave Maria

A ave Maria

Oo oo oo oo

Were taking over the station

Survivors of a different kind

Messages of old dimensions say that were wise

A ave Maria

A ave Maria

Oo oo oo oo

Sensations are out on parade now

Thoughts have ended up left behind

Going round in circles fighting hidden desires

A ave Maria

A ave Maria

The signals are there to read

It's never that hard to see

Stop wasting your time you will find

Natures not always kind

A ave Maria
