

Raw Power (Matthew Roberts Bass in Your Face mix)

Apollo 440

Raw power, more power
Foot to the floor power, here we go, here we go
Raw power, your power, out on the floor power
Drum power, bass power, right in your face power, rip it up
Raw power, full power, out on the floor power
Here we go, here we go Like a bullet from the gun, you're on the run
We got it if you want some, want some
We'll squeeze it to the last drop, up from the bottom
To the very tip top, hip hop, don't stop, go, go, go, go Raw power, more power, foot to the floor power
Raw power, full power, out on the floor power
Here we go, here we go We got to give it all or nothing at all
We got to give it all or nothing at all
We got to give it all or nothing at all
We got to give it all or nothing at all Rip it up, come on, come on! Slam dunking state of mind, every time
Throwing you a life line, life line
We'll leave the group shell-shocked from the bottom
To the very tip top, hip hop, don't stop, go
G-g-go, g-g-go, g-g-go Raw power, more power
Foot to the floor power, here we go, here we go
Drum power, bass power, right in your face power
Rip it up, trip it up, raw power, your power
Out on the raw power, here we go, here we go We got to give it all or nothing at all
We got to give it all or nothing at all
We got to give it all or nothing at all
We got to give it all or nothing at all To the next side, giving it the jazz rinse
Hey, hey, hey, slam dunking state of mind
Hey, hey, hey, every time
Hey, hey, hey, ten, nine, eight
Seven, six, five, four, four forty
