

# Shame on Me

Bobby Bare

Shame on me for hurting you  
What can I say? What can I do?  
Last night I was blind but today I see  
I did you wrong, shame on me You say you won't be seein' me again, you say we're through  
I wouldn't want to see the sunrise tomorrow if I knew that to be true  
I know that just sayin' I'm sorry, doesn't sound like a lot  
But the girl you saw me with last night means no more to me  
Than the thousand stars to the great clouds that cover the night  
The more I looked at her, the more I realized, how much I love you Shame on me for hurting you  
What can I say? What can I do?  
Last night I was blind but today I see  
I did you wrong, shame on me I'll admit, I shouldn't have given into love's wild temptation  
With someone I cared nothing for, I was blind and I hurt you  
Can you ever forgive the fool, the fool who really loves you? Last night I was blind but today I see  
I did you wrong, shame on me
