

# I Walk a Little Faster

## Blossom Dearie

Pretending that we'll meet  
Each time I turn a corner  
I walk a little fasterPretending life is sweet  
'Cause love is around the corner  
I walk a little fasterCan't begin to see my future shine as yet  
No sign as yet, you're mine as yet  
Rushing toward a face I can't divine as yet  
Keep bumping into walls and taking lots of fallsBut even though I meet  
At each and every corner  
With nothing but disasterI set my chin a little higher, hope a little longer  
Build a little stronger castle in the air  
And thinking you'll be there  
I walk a little fasterCan't begin to see my future shine as yet  
No sign as yet, you're mine as yet  
Rushing toward a face I can't divine as yet  
Keep bumping into walls and taking lots of fallsBut even though I meet  
At each and every corner  
With nothing but disasterI set my chin a little higher, hope a little longer  
Build a little stronger castle in the air  
And thinking you'll be there  
I walk a little faster
