Rings Of Gold

Chris Camozzi

I remember when you said
"With this ring I thee wed"
Now you've gone, betrayed my trust
Rings of gold have turned to rustTears can't wash away the sin
Love that's dead can't live again
Knowing there's no hope for us
Turns those rings of gold to rustPlans we made just yesterday
Sands of time have chipped away
Now they've crumbled into dustLove before was clean and pure
Never more can I be sure
You will not betray my trust
Rings of gold have turned to rust
Rings of gold have turned to rust
