# Young Soldiers

## Raf Tadevossian

Young soldiers
Are dying for what?
For a bloody piece of land,
That government has already sold.

People
Are not a like.
Okay, let's kill each other
I don't want my mind to be changed

We are
Dumber than we think we are.
We are better men
Than we think we are.

Future fathers
Are dying for what?
For a baby,
That maybe will never be born.

Brothers
Are dying on each other hands
Because of fat politicians
That already have sold our land.

We are
Dumber than we think we are.
We are better men
Than we think we are.

Our enemy
Has a family too,
Has A mother
Who certainly cares too,

As your family
That Iâ€™m sure cares for you,
As your mother that loves nothing more than you.
Young Soldiers...
