

# Blanket

## Alessi's Ark

( with urban species )  
Music is my blanket  
Will be music is my ??  
Emotionless this city lies  
Cruel it is, it clouds my eyes  
The dark the dark  
Shades of my day  
I live inside this place  
Locked up inside my little cage  
Always tense and filled with rage  
Above the concrete fields below  
With you I wanna go, wanna go  
Music is my blanket  
Will be music is my ??  
I see only what I wanna see  
I'll be only what I wanna be  
My blanket covers me, yes  
Yeah, check it  
Yeah as a human I was born ???  
Traded my albino (?)  
??? gyro  
But I ???  
??? consume  
All these decent melodies  
That keep realities at bay  
???  
Start to fade away, fade away  
Alone withint myself again  
I try to veil away my pain  
The dirty grey surrounding me 'round  
And now I hear no sounds...  
I feel like ??? from ??  
As I wonder how I keep from going under  
I got trouble on my mind like my name is chuck d  
And like marvin gaye it makes me wanna holler  
When the music hits me  
I feel no pain  
That's why I got to put you on again and again  
I take the needle off the deck

??? in my vein  
As the rush hits my brain  
And the pain goes, trouble down the drain  
I see only what I wanna see  
I be only who I wanna be  
My blanket covers me  
Music is my blanket  
Will be music is my ??  
I see only what I wanna see  
I be only who I wanna be  
My blanket covers me  
Music is my blanket  
Will be music is my ??  
You are my living world  
You are my living world  
You are you are you are my  
My only living world....
