Amelia

Cocteau Twins

Who've been wounded
Who should wound her
Heart on the grasp
Who but who put on the heartHe, and me, along said we, but burn
He, and me, along said we, but burn
He, and me, along said we, but burnHounded by the mask, but thenWounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
Wounded on the grasp
