Got a little something for your ass to move to
You bout to fly with a boss
So buckle up girl it's time for take offSo baby get ready
'Cause I'm about to accelerate like a car
And I'm a go-getta
I'm a take a top shot straight to your heart
Listen let's go baby
Never seen a lover that can do you like me, just wait and see
(Gimme the green light and watch me go)Now I got you I want you exclusive baby
We should take a picture make a movie baby
Let the world watch us just step the game up
To another level that nobody else can touch
(I'll lead the way) Follow my lead baby what you sayin?
