

About Me

[Keri Noble](#)

After I promise to love you forever
What happens to us if I fail?
I fear that my heart is a wavering thing and
I'm scared that your heart is frail Do I give up and just let go
Or remain, I don't know
What does this say about me
I want to believe that a love is everlasting Something that happens still
(But) what if I can't sustain it forever but I
Give you my word that I will
Do I give up and just let go Or remain, I don't know
What does this say about me
(What if I) give you my vow that I'll love you forever
And then wish that I could be free
