I Love You

The Zombies

I love you, I love you, I love you, yes I do
But the words won't come & I don't know what to sayI should tell you, I love you, I do
My words should explain, but my words won't come
I shouldn't hide my love deep inside
My words should explain, but my words won't come
I should tell you just how I feel, & I keep tryin'
But something holds me back when I try to tell you[Chorus:]I love you, I love you, I love you, yes I do
I love you, I love you, I love you, yes I do
But the words won't come & I don't know what to sayIf I can find the words in my mind
The words could explain, but the words won't come
If you can see what you mean to me
My words should explain, but my words won't come
Oh how hard I try to tell you I love you
But something holds me back when I try to tell youI don't know what to say
Oh how hard I try to tell you I love you
But something holds me back when I try to tell you
