

# The Beautiful Place

**B.SLADE**

## Verse 1

Since I was born I heard about this place  
Where there is always sunshine and everyday is a Sunday  
There will be no more rain no more skies that are gray  
Oh, they tell me of an uncloudy day

## Chorus 1

All my life Ive heard about this beautiful place  
Its somewhere beyond the galaxy and outer space  
Where the streets are gold as glass and sheer with transparency  
Where we shout and sing His praise throughout eternity

## Verse 2

As I grew old, I wondered bout this place  
Will I ever get there; how much longer will I have to wait?  
Then I felt a sensation from my head down to my face  
On a Tuesday afternoon I felt my body change  
Ive been raptured!

## Chorus 2

All my life I dreamed about this beautiful place  
And I cant believe my eyes I really see His face

Reunited with my loved ones walking hand in hand  
And the Holy River intertwines with emerald sand

## Chorus 3

"Oh, my God, the flowers sing!!!"  
As pure white horses kneel down  
For the King has made His entrance at the trumpets sound  
As we sing His throne changes from blue to aqua-marine  
And to shades of indigo unlike youve ever seen

## Bridge

No more death, no more pain  
Joy, everlasting Zion sings Holy, Holy, Holy  
Oh, Hallelujah, Hallelujah, Hallelujah  
We have over come
