Somebody Like You

Robbie Nevil

Don't mention where you've been
or where you want to go.
Don't tell me 'bout all your sins
'cause I don't want to know.
I tried to give you everything
but all I got was nothing in return.
Maybe I try too hard
and it don't seem fair
I keep telling myself:Who needs somebody like you?
I don't need somebody to waste my time.
Who needs somebody like you?
Someone like me
no matter how hard I try.You got your life and that's a fact
but I got my dignity.
You may be happy with the way things arebut that ain't working for me.
I don't ask for perfection
but I've got to knowdid you ever really care?
May be you are just a dream that won't come trueI keep telling myself:Who needs somebody like you?...Who needs somebody like you?...
I don't need nobody to tell me lies.
Who needs somebody like you?
Someone like meAnd now I'm wondering why.I keep comin' back 'til I can't take no more.Who needs somebody like you?
I don't need nobody to waste my time. ...Who needs somebody like you?
I don't need nobody to tell my lies. ...
