

Beloved

Jordan Feliz

Head full of questions
How can you measure up
To deserve affection
To ever be enough
For this existence
When did it get so hard
Your heart is beating
Alive and breathing
And there's a reason why
You are essential, not accidental
And you should realize

You are beloved
I wanted you to know
You are beloved
Let it soak into your soul
Forget the lies you heard
Rise above the hurt
And listen to these words
You are beloved
I want you to know
You are beloved

Sometimes a heart can feel like a heavy weight
It pulls you under, and you just fall away
Is anybody gonna hear you call
But there's a purpose, under the surface
And you don't have to drown
Let me remind you, that love will find you
Let it lift you out

Don't be afraid
Don't let hope fade
Keep your eyes fixed on the light above
In the heartbreak
In your mistakes
Nothing can separate you from love

You are beloved
