

Wonderful Christmastime

The Shins

The moon is right
The spirits up
Were here tonight
And thats enoughSimply having a wonderful Christmas time
Simply having a wonderful Christmas timeThe partys on
The feelins here
That only comes
This time of yearSimply having a wonderful Christmas time
Simply having a wonderful Christmas timeThe choir of children sing their song
Ding dong, ding dong
Ding dong, ding, oh, ohSimply having a wonderful Christmas time
Simply having a wonderful Christmas timeThe word is out
About the town
To lift a glass
Ah, dont look downSimply having a wonderful Christmas time
Simply having a wonderful Christmas timeThe choir of children sing their song
They practiced all year longDing dong, ding dong
Ding dong, ding dong
Ding dong, ding dongThe partys on
The spirits up
Were here tonight
And thats enoughSimply having a wonderful Christmas time
Simply having a wonderful Christmas timeThe moon is right
The spirits up
Were here tonight
And thats enoughSimply having a wonderful Christmas time
Simply having a wonderful Christmas time
Simply having a wonderful Christmas time
Simply having a wonderful Christmas timeOh, Christmas time
