

# Even Though I'm Leaving

Luke Combs

Daddy, I'm afraid, won't you stay a little while?  
Keep me safe 'cause there's monsters right outside  
Daddy, please don't go, I don't wanna be alone 'Cause the second that you're gone they're gonna know  
Before he went to bed he grabbed my hand and said Just 'cause I'm leaving  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared  
When I'm not here, but I'll always be right there  
Even though I'm leaving  
I ain't going nowhere  
Dad we've all been late and Uncle Sam don't like to wait  
He's got a big old plane that's gonna take me far away  
I know I act tough but there's a churning in my gut  
'Cause I just can't call you up when things get rough  
Before I left he hugged my neck and said Just 'cause you're leaving  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, I know you're scared  
I might be here, but I'll always be right there  
Even though you're leaving  
I ain't going nowhere  
Daddy, I'm afraid, won't you stay a little while?  
I never thought I'd see the day I had to say goodbye  
Daddy, please don't go, I can't do this on my own  
There's no way that I can walk this road alone  
Daddy grabbed my hand and said Just 'cause I'm leaving  
It don't mean that I won't be right by your side  
When you need me  
And you can't see me in the middle of the night  
Just close your eyes and say a prayer  
It's okay, boy, I ain't scared  
I won't be here  
But I'll always be right there  
Even though I'm leaving  
I ain't going nowhere

I ain't going nowhere
