Free

Kate Earl

Fall back into the snow, sink deep
Bury all the troubles that you keep
Follow close to the places your heart needsJust for a little while, just for a little while
You'll be free, you'll be freeChild, I can tell by the look on your face
You don't think you belong
You don't think you belong in this place
Promise to come back
Promise to come back where it's safeJust for a little while, just for a little while
You'll be free, you'll be freeJust for a little while, just for a little while
Just for a little while you'll be freeI'll be the [Incomprehensible], darling
That will come tumbling down
When you [Incomprehensible], darling
Won't [Incomprehensible]You'll be free, you'll be free
Oh, you'll be free
