Coming Undone

Korn

Keep holding on
When my brain's ticking like a bomb
Guess the black thoughts
Have come again to get meSweet bitter words
Unlike nothing I have heard
Sing along, mockingbird
You don't affect meThat's right
Deliver it to my heart

Please strike

Be deliberateWait, I'm coming undone

Irate, I'm coming undone

Too late, I'm coming undone

What looks so strong, so delicateWait, I'm starting to suffocate

And soon I anticipate

I'm coming undone

What looks so strong, so delicateChoke, choke again

I find my demons were my friends

Pity me in the end

They're out to get meSince I was young

I tasted sorrow on my tongue

And this sweet sugar gun

Does not protect meThat's right

Trigger between my eyes

Please strike

Make it quick nowWait, I'm coming undone

Unlaced, I'm coming undone

Too late, I'm coming undone

What looks so strong, so delicateWait, I'm starting to suffocate

And soon I anticipate

I'm coming undone

What looks so strong, so delicateI'm trying to hold it together

Head is lighter than a feather

Looks like I'm not getting better

Not getting betterWait, I'm coming undone

Unlaced, I'm coming undone

Too late, I'm coming undone

What looks so strong, so delicateWait, I'm starting to suffocate

And soon I anticipate

I'm coming undone

What looks so strong, so delicate
