

# Fires at Midnight

## Blackmore's Night

I stood out here once before  
With my head held in my hands  
For all that I had known of this place  
I could never understand  
On the hills the fires burned at midnight  
Superstition plagued the air  
Sparks fly as the fires burn at midnight  
The stars are out and magic is here  
I wished on the seven sisters  
Bring to me wisdom of the age  
All that's locked within the book of secrets  
I longed for the knowledge of a sage  
On the hills the fires burned at midnight  
Superstition plagued the air  
Sparks fly as the fires burn at midnight  
Stars are out the magic is here  
The stars are out the magic is here  
So, the sisters smiled to themselves  
And they whispered as they shone  
And it was from that very instant  
I knew I would never be alone  
While on the hills, the fires burned at midnight  
Superstition plagued the air  
Sparks fly as the fires burned at midnight  
Stars are out and magic is here  
The stars are out and the magic is here  
Many stars were long forgotten  
Many faded and became ghosts  
Still my sisters glittered down from Heaven  
Always there when I needed them most  
And on the hills the fires burned at midnight  
Superstition plagued the air  
Sparks fly as the fires burn at midnight  
Stars are out and magic is here  
The stars are out and magic is here  
I stood out here once before  
With my head held in my hands  
For all that I had known of this place  
I could never understand  
On the hills the fires burned at midnight  
Superstition plagued the air  
Sparks fly as the fires burn at midnight  
Stars are out and magic is here  
Stars are out and magic is here  
Stars are out and magic is here  
Stars are out and magic is here
